

Design Options

All of our cakes begin as "blank canvases", ready to customize into a unique design for your event. We will work with **you** to create a cake that suits your guest count and budget.

The base pricing includes ONE design from this guide. Customization and multiple design elements are welcomed and encouraged.

Pricing is based on the different elements of the design and may vary from cake to cake. Many of the cakes shown incorporate multiple designs in one. We would love to see any cake-inspiration photos that can guide us in creating the perfect cake for you.

Every cake is unique, just like you.

"Naked" Cakes

Our cakes are almost naked. We have a thin layer of Italian buttercream on the outside to seal the cake and keep it fresh! This design looks great with fresh florals*.

*Floral Add On starts at +\$25

Coloured Buttercream

We will do our best to colour match, although slight variations may occur. Please keep in mind that bright or deep coloured buttercream can stain mouths and teeth. We encourage you to allow decor to express theme colours rather than your cake.

Buttercream Roses

Each rose is hand piped and placed on your cake to make a beautiful arrangement. These are a great alternative for those who have pollen allergies and want to avoid using real florals. Everyone loves roses, here are ones you can eat!

Base pricing includes up to 6 handpiped roses. Additional roses are +\$1 each

Fresh Florals

Our go-to florals include: roses (up to 6 blooms), babies breath, and eucalyptus. If you have a florist you'd like to use, we are happy to add the additional blooms at your venue to tie your floral theme together.

Additional charges may apply based on quantity or multiple colours

Piping

Beading between the tiers of cake, dainty dots on the sides, or a combination of the two!
Piped elements give your cake texture.

*Floral Add On starts at +\$25

Marbled/Watercolour

Hand marbled buttercream with your choice of two colours.

Hand painted elements are an additional cost based on intricacy and quantity.

Carving

Carved elements are a unique way to personalize your cake. Perhaps as an ode to carving lover's names* in tree trunks or on love locks, or to create a geode look.

*Heart with Initials Add On +\$5

Gold & Silver Leaf

\$10+

Our gold and silver leaf available as an ADD ON. Both are completely edible. The gold leaf is between 22-24 karats, and the silver leaf is 100% pure silver. This is elegant way to take your cake to the next level.

Signature Designs

\$45+

"The Duke & Duchess" is a cake fit for royalty. This three tiered floral beauty is inspired by Prince Harry & Meghan Markle's wedding cake. Featuring cascading florals of roses and hydrangeas*, eucalyptus, elegant piped beading and textured white buttercream. Available for our Mini or Classic Three Tier Cake.

*Florals can be customized to match your colour palette.
